Received letter No C2 P-R. 86-35/53-54 dated 4 8 53 from the Municipal Commissioner, My Sore, forwarding the resolution dated 30 6 53 of the Municipal Council recommending the continuance of the establishment for the decoration and foot path gang at a cost of Rs 4692/- per years

1) gang for the maintenance of foot paths falls under the Engineering Section of the Municipality and should go with that establishment A proportion statement is necessary The Proposal involves a recurring expenditure of Rs 4692/- per year

2) The gang in question is being continued from several years as reported by the Municipal Commissioner there appears to be no possibility of disbanding or retrenching this gang in future If sanction is accorded for one year it will come up for sanction every year in future Why permanent Sanction should not be accorded is a point for consideration The Municipal Comr may be consulted in the matter. Request for according sanction to the continuance of establishment for this year is for orders 3) There is a proposal to sanction

establishment at a cost of Rs 5814/- per year for looking after the Avenues This proposal is submitted today for appl (vide File no 3176) Now another proposal is sent to sanction seperate establishment at a cost of Rs 4692/- per year for repairing the foot path I think the gang which is meant for looking after the avenue trees may as well attend to repairing the foot path or Vice-Versa. There does not seem to be any need to Continue both the gangs. If one establishment is disbanded, there will be a saving of Rs 5000/- per year

4) I have discussed this matter with the Md Commissioner These gangs have been in existence from a very long time - in some case from 1910 - And what is sought now is just ratification I understand the gangs are doing good work, and the proposal may be appd
